# WHERE TO STAY

*The best area to stay in Santorini is Fira, Firostefani, Imerovigli and Oia. These are the towns that make Santorini so special. If it's your first time on the island, you should definitely stay on the caldera side, as that's what Santorini is famous for. A really good hotel is Exclusive Suites. Featuring Caldera views, Exclusive Suites is located in Firostefani, 3.5 km from the Volcano and offers apartments with a private balcony or terrace featuring a hot tub and viewing the sea.*

# WHAT TO SEE

## 1. *Oia*

*Oia is known for its famed sunsets that attract tourists from around the world. Located on the northern tip of Santorini, 12 kilometers up the coast from Firá, Ía (Oia) is a picture-perfect village of whitewashed houses, several of which have been converted into chic little boutique hotels with infinity pools, overlooking the caldera. Like Firá, it lives from tourism, but caters to a more upmarket clientele.*

## 2.Red Beach

*Nearby the Akrotiri site, you will find the famous Red Beach below a spectacular red cliff wall. The beach is accessible along a path from the town of Akrotiri. You can also take a bus from Fira or drive and park nearby before venturing down a rocky path to reach the beach. The beach is also accessible by boat from Akrotiri, Kamari, and Perissa ports.*

### 3. Museum of Prehistoric Thira

*The Museum of Prehistoric Thira displays finds from Akrotiri archaeological site in a modern white building located close to the 1950s Mitrópolis church in Firá. One of the top tourist attractions is the Blue Monkeys wall fresco. Other ancient artworks on display include marble figurines, painted ceramics, tools, and weapons.*

# WHERE TO SHOP

## 1. Atlantis

*Atlantis Book Store is located on the main square of Oia. It has been open since 2004 and conceived as an idea in 2002 when two American friends spontaneously decided to establish the island's first bookstore and make it a meeting point for book lovers from all around the world. Driving around Europe and the US, they managed to create a diverse collection of books that is still expanding, from fiction to nonfiction, history, poetry, children's literature, and other genres.*

## 2. Sunbeam Handmade

*Sunbeam Handmade is a small boutique in Thira, located in Megalochori. In this little shop, you can find a range of handmade ladies handbags, purses, backpacks and accessories. All products are made by eco-friendly materials, like natural cork, straw, fennel, paper, bamboo. The result is a very strong and durable product, while various sizes and designs are available. For them, the future of fashion is vegan.*

### 3.The secret of Greek land

*The secret of Greek Land, located in Thira, is a shop with traditional and organic products, cosmetics, wines. The majority of them has been certified, protecting in this way the consumer.*

*Their basic target is to meet the modern trend and needs, for authentic and healthy Mediterranean products, with prices adjusting to the everyday situation.*

# WHAT TO BUY

- **Jewelry**

*Santorini was created by a massive volcanic eruption 3600 years ago. Hence, the rebirth of the island from the ashes inspired many artists to create unique jewelry collections that praise the unparalleled beauty of Santorini.*
