

# Syros

A beautiful island, Capital of Cyclades.

# Where to stay:

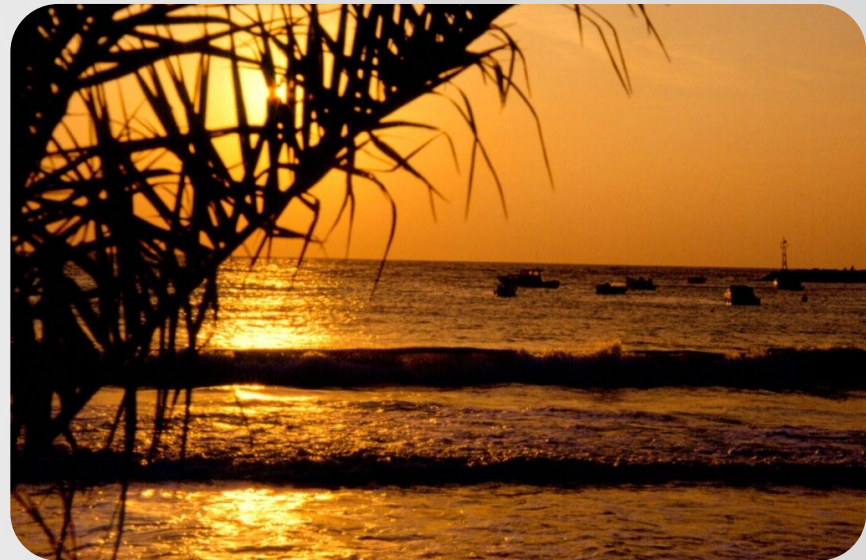

- **Finikas Syros**

*Finikas Syros is a village located in the bay of the homonymous large bay in the southwest of the island. The gulf of Finikas Syros, was in antiquity a port of the Phoenicians - to them owes its name*

- **Kini**

*Kini is one of the villages on the west coast of Syros and is 9 km from the capital Ermoupolis. It is a picturesque seaside fishing village developed in one of the main tourist centers of Syros.*

# • Ano Syros

*Ano Syros is the oldest settlement on the island of Syros. It has the peculiarity that the majority of the permanent residents are Catholics in religion, but Greek-speaking, as they maintain the tradition from the founding of the village.*

# • Ermoupoli

*Ermoupolis is the beautiful capital of Syros, located on the east side of the island. It is commonly called an "open-air museum" as it has many attractions that the visitor admires with a walk in its alleys. It does not have the typical Cycladic form, but its buildings belong to the neoclassical Romanticism, with references to ancient Greece and western Europe.*

# What to see:

- Miaouli Square

- Apollon Theatre

- Municipal library of Syros

# Where to Shop:

- Sweet Gift

# What to buy:
